Welcome to Foothill-De Anza Community College District

The mission of the Foothill-De Anza Community College District is student success. We accomplish this by providing access to a dynamic learning environment that fosters excellence, opportunity and innovation in meeting the diverse educational and career goals of our students and communities.

Located in the heart of Silicon Valley, the district serves the communities of Cupertino, Los Altos, Los Altos Hills, Mountain View, Palo Alto, Sunnyvale and portions of San Jose.

Admissions and Registration Process

Grossmont and Cuyamaca College, the two colleges in the Grossmont-Cuyamaca Community College District, offer quality instruction and top-notch facilities at a cost of only \$46 per credit unit.

Follow the steps below to begin making your progress toward a college degree or technical training.

1. Apply online to be admitted to [Grossmont](#) or [Cuyamaca](#) College.

Visit the [Grossmont Admission & Records](#) or the [Cuyamaca Admissions and Records](#) pages for information about transcripts, residency, cost, high school student admissions, international student admissions and veterans.

2. Attend Assessment, Orientation and New Student Advising

Go to [WebAdvisor](#) to schedule an assessment, orientation and advising session. The results of your assessment test will help you to select the appropriate English and math courses.

3. Through WebAdvisor, you can also register for classes, which you should do on the date you are given. Be sure to register as soon as possible because classes fill up quickly, and pay all fees on time to avoid being dropped from the classes you want.

Application

Welcome to the Los Rios Community College District, one of the nation's most respected learning institutions and the second-largest community college district in California. The District is comprised of four colleges that serve the greater Sacramento region: American River, Cosumnes River, Folsom Lake and Sacramento City.

If you are a new or returning student to Los Rios, you must complete and submit an application before you can register for classes. **While you only need to submit an application to one college, you will be able to enroll in classes at all four.**

The application filing period each year begins the second Tuesday of September for spring enrollment and February 1 for summer and fall enrollment. Be sure to select which academic term - spring, summer or fall - you are enrolling in under **Enrollment Information** on the application.
