

Foothill-De Anza Wireless Network Login Instructions For: *Campus Guest* Using IOS / iPhone

Summary:

The **Campus Guest** wireless network replaces both *Foothill Guest* and *DeAnza Guest* wireless networks. You will use your *email address* to connect to *Campus Guest*, the same as you did for the previous wireless networks.

Once you **Register** with the **Campus Guest** wireless network, the **password** provided is valid for eight (8) hours. ***(You will want to make note of the password.)*** The **email address you supplied is** now your **Login ID**.

If you remain in the same physical area of the campus, you will *not* need to *Register* or *Sign In* again over the course of an eight (8) hour period.

If you move to a different area on campus that has **Campus Guest** or *travel* to the other college (Foothill or De Anza), if it is within the eight (8) hours from when you initially *Registered*, you **Sign In** with your email address and the password provided during Registration. *See Instructions #3 at the end of the document.*

If this does not work, just **Register** again.
