

# Add a Calendar in OWA

*This document is a quick start for adding a calendar in OWA that has been shared with you.*

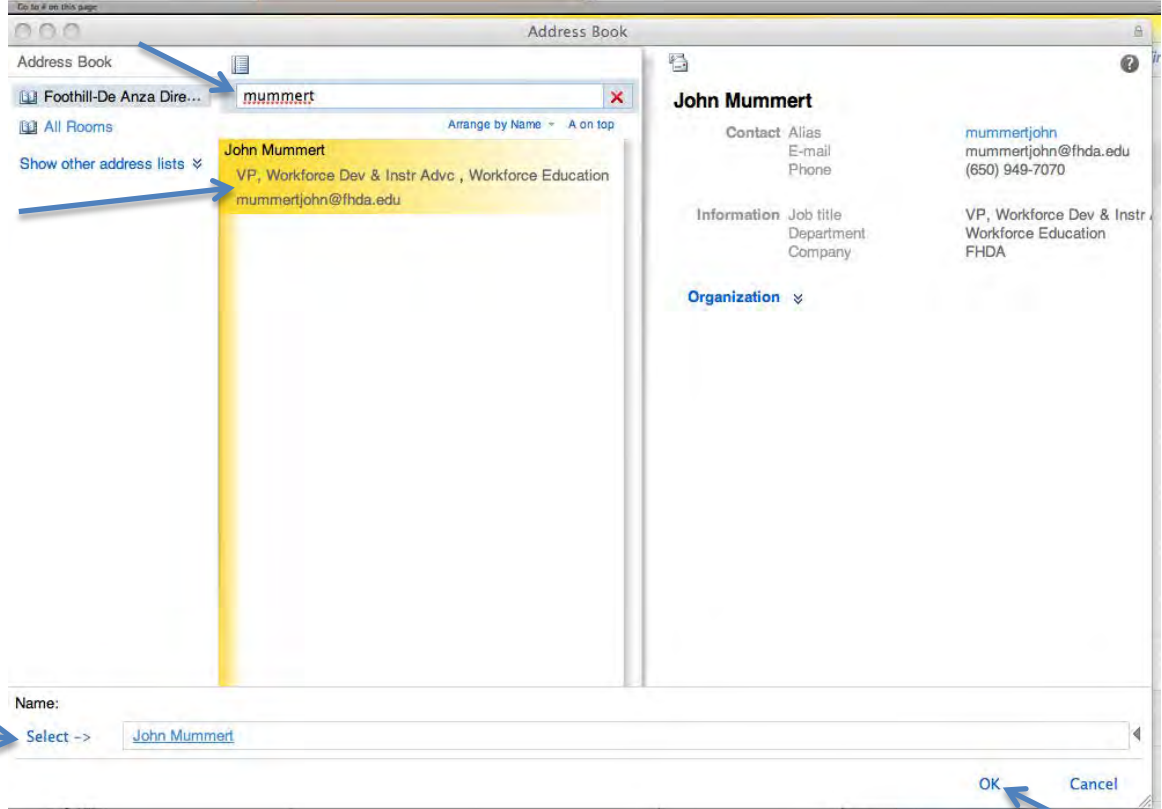

1. In OWA, click on **Calendar** in the lower left of the screen.
2. Next, click on the **Share** menu at the top and select **Add a Calendar...**

3. Next, click on **Name...** and search for the user's name.

a.

b.

c. Double click on the user's name after a successful search and the name should be placed in the box at the bottom next to **Select** → Now click on the **OK** button.

- d. Returning to the Add a Calendar window, you should see the user's name. Click on the **OK** button.

**Add Calendar**

You can add a calendar from your organization or from the Internet.

Calendar from your organization

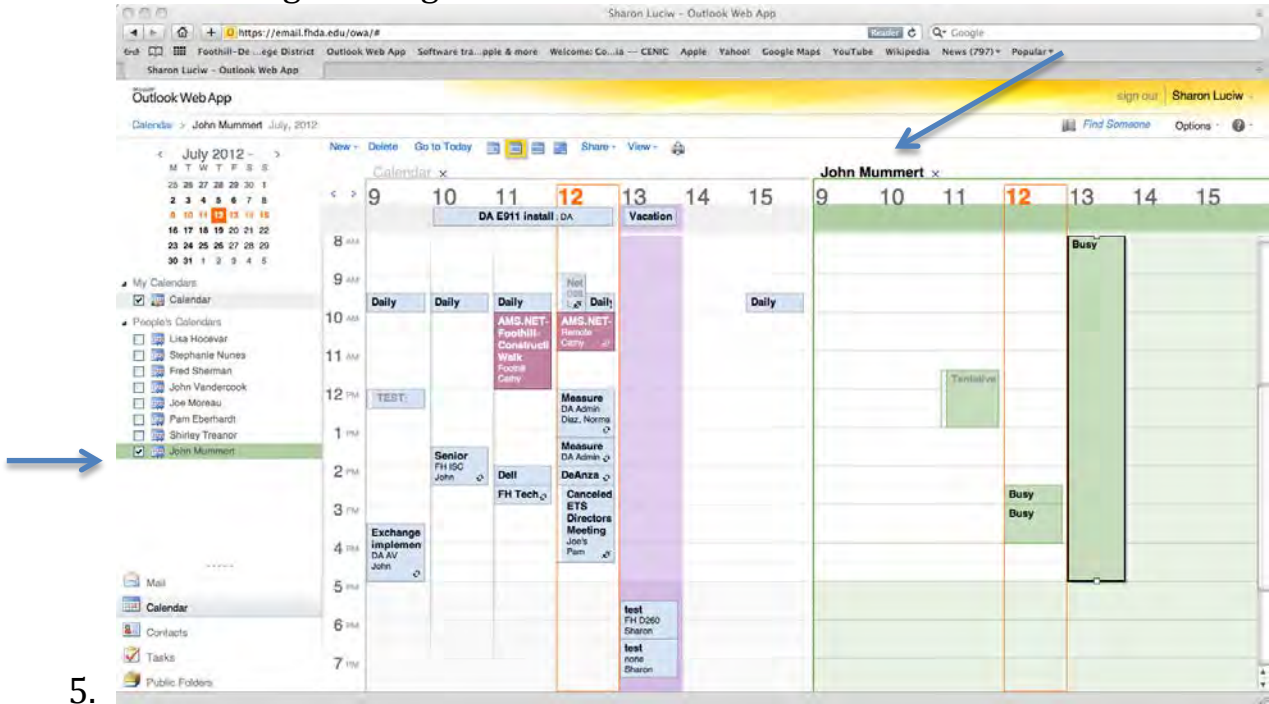

Calendar from the Internet

Name...   
(Example: Tony Smith)

Calendar URL:   
(Example: webcal://contoso/soccer.ics)

e.

4. The user's calendar should appear along side your own. You need to click on each calendar in the window to high light the person's name in **bold** for that calendar to be the active calendar for creating meetings and so on.

5.

- a. NOTE: The check boxes on the left – if not selected, calendar will not appear.
